**Please plan ahead when ordering a resale certificate or update**, by law the association has **10 business days** to provide the information once the request is received. The resale certificate is a detailed document containing significant amounts of information including lot-specific information, and takes time to compile. The association has no duty to offer "rush" service. Should the association elected offer "rush" or other expedited resale certificate processing, a fee for performing the service in an accelerated timeframe may be charged. This fee is not a fee associated with the transfer of property but is a fee for providing documentation on a timeline more accelerated than required by law. The fee will not exceed \$125.

*Prospective purchasers are advised to independently examine the Declaration, Bylaws, and all other governing documents of Association, together with obtaining an official Resale Certificate and performing a comprehensive physical inspection of the property and common areas, prior to purchase. The purpose of this certificate is to provide information sufficient for a title company to correctly identify the community and to contact its governing association. This certificate does not purport to identify every publicly recorded document affecting the property, or to report every piece of information pertinent to the property. No person should rely on this certificate for anything other than instructions for contacting the association in connection with the transfer of title to a home in the subdivision. The registered agent for the association is on file with the Texas Secretary of State.*

This certificate is filed of record in the county where the above-described project is located. It will be valid until a management certificate is filed of record or until a termination of this management certificate is filed of record, whichever is sooner.
